Tourism Authority

Pleasure Craft Survey Certificate No. 04302 12362

This is to certify that the Hull and Equipment of Pleasure Craft bearing specifications as mentioned hereunder and whose registered owner is Jolly Roger Company Ltd have

been surveyed by an Approved Surveyor of the Tourism Authority in afloat conditions on 21/9/19 at Albion in virtue of Sec 58 of the

Tourism Authority (Amendment) Act 2008 and found to be in an apparently fit and efficient condition. Subject to the pleasure craft being maintained in the same condition and being fitted with the same engines/propulsion devices and with all other items of safety equipment in such number and of such standard as mentioned in the Survey Report submitted to the Tourism Authority by the Approved Surveyor, this certificate shall remain valid until 22/9/2019 (20/01/2019)

The registered owner has the obligation to notify the Tourism Authority of any alterations undertaken in respect of the Engines / Propulsion devices or safety equipment so that a new survey may be conducted to ensure that the craft would retain her seaworthiness.

This certificate shall become invalid upon change of ownership of the pleasure craft and is not a warranty against the consequences of failure of the registered owner / skipper to exercise caution or to take all seamanlike precautions when the pleasure craft is being operated in a navigational area or is being handled for maintenance.

Specifications of Pleasure Craft
